## Chairman's Message

Dear Chapter Members and Friends;

Our January meeting was outstanding with great attendance. Greg Kehoe, former Assistant United States Attorney for the Middle District of Florida gave a spell bounding overview of the early investigation and judicial process and proceedings that were instrumental in the Saddam Hussein case.

Greg was instrumental in guiding this matter in its early inquiry and then a successful conclusion. A special thanks to our friend Greg Kehoe for this excellent presentation. Again thanks to Ed Fleck who secures our speakers. Great job Ed.

Our February meeting is scheduled for the second, not the third, Tuesday of February. This is our Valentines party. For this event mark your calendar for February 13, 2007. Please bring your wife or significant other and celebrate this special day with your friends and associates. We are giving Ed a bit of reprieve and instead of a speaker we will have live entertainment.

Richard Holland

## **New Members**

Welcome to our new members at the January meeting – Mike Kogut and Dean Naum

Mike Kogut served from 66-94 in SD, CG and BF. He supervised Violent Crimes and later the White Collar Crimes desks in Buffalo. He retired and was the Director of Security of the HSBC Bank for a number of years and finally moved to Tampa in 2003. He rides a Harley and lives with his wife, Marilyn, in Tampa.

Dean Naum served from 66-95 and worked with Mike Kogut at HSBC. Dean served in TP, IP, and BF. He concentrated on OC & drugs. He and Sandy moved to Tampa in 2006 where they golf, boat and enjoy the good life.

Another new member is Gary Luker. Gary served 30 years in NY and was the Investigative Imaging Services Program Manager. Gary has his own business, Luker & Associates, Inc. specializing in imaging services to the legal and investigative communities. Gary is also our chapter photographer and has brought a new level of skill to our functions. His imaging equipment is quite impressive.

## **Activity Resource List**

Florida Vice President Al Robinson has compiled the current Activity Resource List and it will be available at the next meeting. It is also on our web site. This list contains various hobbies/interests and provides a local point of contact for the particular interest. It is well done and provides us retirees with resources we didn't know we had.
