Chairman's Message

Dear Members and Associates;

The Christmas Party held at Magiano's December 11, 2006 was a great event. 89 members and guests had a marvelous time. Door prizes were won by many who were in attendance. The planning and organizing committee headed by Al Scudieri are to be commended. A special thanks goes out to SAC Carl Whitehead, Tampa Division, for his very informative comments regarding the FBI. Carl's lovely wife Shannon did an outstanding job of distributing the door prizes.

We are now in the New Year and Mary and I wish you the very best for 2007. Although time continues to fly and schedules are full please set aside the third Tuesday of each month to have lunch with your friends and associates. We had great participation in 2006 and look for even better results for 2007. An active agenda is in place for your entertainment.

Again thanks for your support and we will see you at the monthly meeting in January of 2007.

Richard Holland

January 16th Monthly luncheon meeting at the Radisson – Speaker Greg Kehoe

Ed Fleck advises:

We are pleased to have as our speaker Greg Kehoe, former AUSA in Tampa who is now in private law practice as well as an adjunct professor at Stetson Law School and University of Tampa. As many of you know, Greg assisted in the prosecution of war criminals at The Hague from 1995 to 1999, and most recently assisted in the prosecution of Saddam Hussein. For those of you who heard Greg speak to us several years ago, you will not be disappointed.

Christmas Party - 2006

It was a great time at the Christmas party. Al Scudieri and his committee, Doug deWolfe and Cy Gamber outdid themselves. SAC Carl Whitehead gave an outstanding overview of the Tampa Division's many achievements and Richard Holland did an excellent job as the master of ceremonies. Mary Holland brought the Beaujolais wine and Christmas basket and Diane Scudieri did the centerpieces on the tables.

A new twist this year. We have a new chapter photographer - Gary Luker. His Christmas party pictures are online, are very well-done and captured the spirit of the occasion.

Forgive the lateness of this month's Suncoaster. The editor had a complete computer crash. And while the files were backed up, it took some time to reload the operating system and applications. It's back about 75% and by next week it will be back to 99%. Happy New Year, Bill Gates ;<)
